

**Algoma Sanitary District #1
Water Advisory Council
1220 Oakwood Circle
Amended Agenda –May 10, 2005 – 7:15 p.m.**

Open Meeting

Staff Reports

- Welcome new park committee member to the council
- Schedule for current operations
 - Well #2 schedule
 - Phase II watermain project

Discussion

- Discuss the finalized watermain routes included in Phase II watermain.
- Discuss information that needs to be included in the district website or, if desired, set up a committee to do the general layout.
- Discuss concerns with construction in 2005.
- Flushing and exercise of valves may affect hydrant use.
- Fire Department
 - Methods to report quantity of water used by Fire Department.
 - Develop map that indicates location of fire hydrants. Determine what Fire Department wants for maps in emergency vehicles and for large base maps.
- Council concerns/comments/questions/future agenda items

Close

NOTE: It is possible that members of other governmental bodies of the municipality may be present at the above scheduled meeting to gather information about a subject over which they have decision-making responsibility. No action will be taken by any governmental body at the above-stated meeting other than the governmental body specifically referred to above in this notice.

Upon reasonable notice, efforts will be made to accommodate the needs of disabled individuals through appropriate aids and services. For additional information or to request this service, contact the district at 426-0335.
