

**Algoma Sanitary District #1  
Water Advisory Council  
1220 Oakwood Circle  
Agenda –July 12, 2005 – 7:00 p.m.**

**Open Meeting**

**Staff Reports**

- 1) Schedule for current operations.
  - a. Water treatment facility #2 schedule.
  - b. Website update.
  
- 2) Phase II watermain construction progress update.
  - a. Discuss road traffic concerns.
  - b. Discuss general concerns to date.

**Discussion**

- 1) Discuss Consumer Confidence Report sent out in June.
  - a. Feed back from residents.
  - b. Additional information that should be included in next years report.
  
- 2) Discuss request by Sheldon Nature Center for the Water Utility to install a water supply valve for a restroom in the Center.
  - a. Are any easements required by the Nature Center?
  - b. Will the building be heated or what will be done to prevent freezing pipes inside restroom?
  - c. The location for the restroom may be in question due to the distance required for the sewer lateral and water service pipe.
  
- 3) Water Utility is requested to formally review and comment on the Town of Algoma comprehensive plan for East Central Regional Planning Commission.
  - a. Discuss comprehensive plan and make comments that should be officially stated by the water utility to reinforce or oppose any goals and objectives included in the comprehensive plan.
  
- 4) Council concerns/comments/questions/future agenda items.
