

**Algoma Sanitary District #1  
and  
Town of Omro Sanitary District #1  
Consolidation Workshop  
Agenda – September 12, 2011 – 4:00 p.m.  
3477 Miller Drive, Oshkosh, WI 54904**

1. Open Workshop.
2. Allow grandfathering of the existing parcels in the Town of Omro Sanitary District that were allowed to install a private sewage system based on the fact that the sewer main was greater than 200' from their building.
3. Review sewer contribution in aid of construction "CAC" and water connection charge for new construction to determine the scheduled rate immediately following consolidation.
4. Set dates for the Public Informational Meetings of which we are proposing to hold two in the Town of Omro.
5. Review the power point presentation that will be used during the public informational meeting.
6. Review term #14 and develop recommendation for Commissioner Appointment.
7. Adjourn.

NOTE: It is possible that members of other governmental bodies of the municipality may be present at the above scheduled meeting to gather information about a subject over which they have decision-making responsibility. No action will be taken by any governmental body at the above-stated meeting other than the governmental body specifically referred to above in this notice. Upon reasonable notice, efforts will be made to accommodate the needs of disabled individuals through appropriate aids and services. For additional information or to request this service, contact the District at 426-0335.
